

STONTEC®

Offers a stain-resistant, decorative flake system with a wide range of finishes and colour options, combining large and small flake choices. Designed to minimize downtime during renovations, making it ideal for projects with tight timelines.

Colour matching is available with additional lead time, minimum order requirements, and a slight premium. Colour reproductions are as accurate as modern photography and quality printing methods can produce. For the actual colour, please request a sample. www.stonhard.co.za ©2025 Stonhard.
